Troubleshooting XAMPP installation

If you are having problems with installing XAMPP, try the following.

It's possible you may already have a process running on port :80.

Try some of the suggestions at

https://stackoverflow.com/questions/20558410/xampp-port-80-in-use-by-unable-to-open-process-with-pid-4-12

Please help your colleagues if you have successfully installed
